

## Editor

### Role

- Sole responsibility for developing **Culture Bridge's Research Fellow Program**
  - The Research Fellow program will complement Culture Bridges consulting services by providing policy recommendations from a research perspective.
- Work with the national leadership team to plan and execute a **2021 Summer Research Program** with students submitting articles to be published on Culture Bridge's website and social media platforms
- Edit articles to be published on Culture Bridge's website and social media platforms
- Recruit a list of regular contributors to write articles
- Connect with academics and leaders in the private and public sector who are interested in cross-cultural engagement, providing them with information about Culture Bridge with the aim of encouraging them to write articles for Culture Bridge
- Liaise with the national leadership team

### Time commitment

- 1 hour fortnightly meeting with National team executives
- 2-4 hours weekly
  - October and November to edit articles and Consulting reports
  - January to March to support the National leadership team to run a Summer Research Program
  - 2021 plan and execute Culture Bridge's Research Fellow Program

### Benefits

- Directly responsible for the creation and leadership of Culture Bridge's Research Fellow Program, Summer Research Program and management of the online research content of a national organisation
- Be involved in one of Australia's pioneering organisations engaging with one of the country's most significant present-day challenges
- Develop editorial skills and exercise leadership
- Become an expert in cultural challenges - this field will be valued by employers as all future leaders and businesses will have to engage with a multicultural world
